SOCCER

Griffin Middle School's 6th, 7th and 8th grade boys and girls soccer program's objectives are to emphasize skill development, team work, and good sportsmanship.

IMPORTANT INFORMATION:

- ☐ **The participation fee for soccer is \$30.00.** If this presents a hardship for you, please contact the coach at (678) 842-6917. We understand that circumstances may arise which make it necessary for a player to withdraw. The following Athletic Fee Refund policy will be observed:

Athletic Fee Refund Policy:

Refunds are only available during the first two weeks of practice. Athletes withdrawing after this time **will not** be issued a refund. Athletes withdrawing during the first two weeks of practice will be given a refund. If you are no longer eligible to play (e.g., grades, behavior, failure to comply with GMS soccer club rules) you will not receive a refund.

- ☐ The signed registration and consent form, and fee should be turned in to the coach **BEFORE** the **first day of practice.**
- ☐ A **replacement fee** will be charged for all lost or damaged equipment.

Students who participate in soccer are expected to attend **all** practices and games and be **ON TIME** for both. **If a student must miss a practice or game, the coach must be notified in advance. You may leave a message for the coaches at (678) 842-6917, REMIND, or email.** A minimum number of practices will be required before students will be able to play in games.

Practices will focus on skill development, tactical play and technique. Groups may be skill-divided for specific practices. All players are assessed for skill level prior to the start of practices and games to make sure teams are evenly balanced with both new and seasoned players. Players may be assigned to "field duty" at least twice in the season where team members will serve in the positions of line referee, stat keepers, time keeper, and equipment manager.

This club is like an intramural sport which means that our teams play one another, all students play regardless of skill level, and coaches control the format and rule modifications in games.

Transportation

Soccer club practices and games will take place after school and on weekends; therefore, it is imperative that members of the soccer club have reliable transportation to and from practices and games throughout the school year. Students must be picked up at the end of practice, which is 5:30 pm. **Students still waiting to be picked up after 6:00 will no longer be able to participate in Soccer Club. Parents should contact coaches prior to signing this form for any questions concerning transportation.** Students who are unable to meet the transportation requirements will not be able to participate in the soccer club.

Griffin will provide the following equipment:

- ☐ Game Jersey, soccer balls

Athletes must provide the following equipment:

- ☐ **Practice/workout clothes**(layering recommended) NO JEANS
- ☐ **Shin Guards**-these are required and must be of adequate size for the height and age of the player. **Players who do not have shin guards will not be permitted to attend practice or play in games.**
- ☐ **Long socks**
- ☐ **Soccer cleats** (NO CLEAT ON TOE) or athletic shoes
- ☐ **Ball** (optional-please label with player's name, SMS assumes no liability for lost or stolen items)

RELEASE FOR SCHOOL SPONSORED CLUBS AND INTRAMURAL SPORT ACTIVITIES

Griffin Middle School strives to provide a safe environment for school approved club activities that will stimulate and challenge students; we cannot guarantee an accident will not occur. Voluntary participation in supervised school sport and club activities may be one of the least hazardous environments any student is involved in. However, participation in some sports and clubs (e.g., soccer), includes an inherent risk of injury which may range in severity from minor to long-term catastrophic injury. Although serious injuries are not common in supervised programs, it is impossible to eliminate all risk.

Students participating in a sport or club activity must obey all safety rules, report all physical problems to the sport or club activity supervisor and shall be responsible for the safe condition of their own individual equipment.

By signing this permission form, we acknowledge that we have read and understand this warning and understand the inherent risks associated with this sport or club activity. We further understand that we are responsible for obtaining any medical, accident, or other insurance that we deem appropriate; the school does not provide student accident insurance.

By agreeing to this form, I am not releasing the School District and its employees from any of their legal obligations. However, on behalf of myself, my student, and our family and representatives, I release and hold harmless the School District and its employees from and against all claims for any damages or injuries incurred by my student from any cause, including but not limited to *my student's own misconduct or the actions or omissions of third parties*. I understand that for purposes of this Release, the term "employees" includes the School District's directors, employees, servants, and volunteers.

PARENT OR GUARDIAN PERMISSION

In the event of an emergency, I (we) the undersigned parent or legal guardian give my (our) permission to school authorities to perform first aid and/or arrange for emergency medical services.

Warning: Although participation in supervised intramural athletics may be one of the least hazardous in which any student will engage in or out of school, by its nature, participation in intramural/interscholastic athletics includes a risk of injury which may range in severity from minor to long-term catastrophic. Although serious injuries are not common in supervised school athletic programs, it is possible to eliminate this risk. Participants can and have the responsibility to help reduce the chance of injury. Players must obey all safety rules, report all physical problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily. By signing this Permission Form we acknowledge that we have read and understood this warning. Parents or students who do not wish to accept the risks described in this warning should not sign this permission form. I hereby give my consent for my son/daughter to compete in athletics for Griffin Middle School.
